

CROIX-ROUGE MONÉGASQUE

Presided over by His Serene Highness Prince Albert II, the Monaco Red Cross was created on 3rd March 1948 by Prince Louis II. It works on its own territory but also internationally, in accordance with the 7 fundamental principles of the Movement.

It participates in the appeals launched within the International Red Cross and Red Crescent Movement during humanitarian disasters throughout the world. Furthermore, it also works to improve the resilience of vulnerable populations by partnering with other National Red Cross and Red Crescent Societies, including Armenia, Bosnia and Herzegovina, West Africa, France and Italy.

In 2022, the Monaco Red Cross celebrates the 40th anniversary of the presidency of H.S.H. Prince Albert II.
